United Kingdom

Dear Mr Grundy,

Re: Ashford Borough Council LDF

Many thanks for sparing your time to meet with Cllr Andrew Wickham, Ann Murray and myself on Friday 3 March to discuss the LFD.

Further to our conversation may I take this opportunity in formally proposing the following on behalf of Pluckley Parish Council, who met and considered the matter last Monday:

Pluckley Parish Council, would like a clause included within the Ashford Borough Council LDF document, prior to its submission to the government in May, to the effect that "rural villages [*not necessarily just Pluckley*] should not be precluded from future development if such development included proven needed village amenities."

Yours sincerely,

Jackie Grebby
Clerk to the Council
